Flowers for Church

You will probably have noticed that there have not been any flowers decorating the Meeting House on Sundays recently. We would like someone to take on the responsibility of organising a rota of people who would either like to arrange the flowers themselves or would like to make a donation and have them arranged for them.

We would also like this person to arrange the distribution of the flowers to someone who has been ill or to some of our elderly folks who can't get out to church. Please speak to John Murdock or James McClurg if you could help in this way.

If you wish to include anything in KPC News please email Chris by Thurs at the latest to:
